IMPORTANT NOTICE

POLICY ON PAYMENT OF CORE DEPOSITS FOR ALTERNATORS, FUEL PUMPS AND OIL COOLERS

Dear Valued Customer,

Please be advised that when purchasing the above-mentioned items, the total invoice price must be paid in full by the due date of the invoice (i.e. the exchange price plus core deposit).

When a core is returned to Aviaquip we send it back to our supplier in the USA for assessment. If the core is accepted, our supplier will issue Aviaquip with a core credit. Upon receipt of the credit from our supplier, we will issue a core credit to our customer.

Please note that this process can take several weeks before the assessment outcome is known. Therefore, we kindly request that the total invoice price is paid in full to ensure that your account is kept within our terms and conditions.

We appreciate your patience and cooperation with this matter.

Regards,

J. McFie
