

Products

- Quick, slip on installation. No tools required. Provides a captive nut without costly swaging, staking or riveting operations.
- Monadnock's industry leading array of Clip-On Nut designs accommodate most panel thickness and edge distance requirements.
- Available in a wide range of thread sizes; inch or metric, with self-locking or free running threads. Meets a broad range of performance specifications including applicable portions of MIL-N-25027.
- Monadnock's Clip-On Nuts are offered in a wide range of materials including Carbon Steel, Alloy Steel, various Stainless Steels, Beryllium Copper and Titanium. A broad variety of finishes are available.
- Special requirements including customer specified thread sizes and configurations - A Monadnock strength. Rapid turnaround on new designs from drawings to hardware.
